

Vertical Four-Track

Series 4V60

Minimum and Maximum Size Chart

Vertical 4 tracks are custom made to fit your opening.
There are no standard sizes.

Use this chart to determine the maximum and minimum widths and heights available for your project.

Width	Maximum Height
up to 54"	113"
under 60"	102"
under 66"	90"
up to 72"	84"

Minimum width is 12"

Minimum height for vertical 4 tracks with 4 vents is 23 1/16".
with 3 vents is 17 13/16"
with 2 vents is 12 1/2"

Note 1: Smaller height windows can be made with 2 or 3 vents instead of 4.
